

# Календарный учебный график

Направление подготовки 44.03.05 Педагогическое образование  
(с двумя профилями подготовки)  
Профили Математика, Физика

Очная форма обучения  
Год начала подготовки 2023

УТВЕРЖДАЮ  
Заместитель директора  
по учебно-методической работе  
Е.В. Баширова  
" 31 " 05 2023 г.

| Учебный год | Курс | Даты   |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |          |
